

PERSONAL EXPENSE TRACKER APPLICATION

Need to draft a budget to spend wisely

Difficult to know how much percentage of money should spend

Why is my daily expense so high?

Will it keep my finance organised?

Don't have time to track expenses

Need to identify and eliminate unnecessary spending in financial life

Will it improve financial security?

How to reduce impulse spending?

Says

Thinks

Does

Feels

Making Sticky notes for utility bills

Check Bank Statements

Confused

Inadequate

Keep transaction slips for reference

Keep struck at auditing
